

Emergency Information

Evacuation Routes

Evacuation Checklist

- Keep gas tanks full and batteries charged.
- Keep paper local/regional maps in every vehicle.
- Wear sturdy, comfortable, layered clothing.
- Wear walking/athletic shoes.
- Unplug electronics and appliances (only unplug refrigerators/freezers during floods).
- Lock up your doors, windows, vehicles, etc.
- Tell your third-party contact where you're going and when you leave.
- Bring your evacuation kit with you.
- Bring your pets with you (include pet supplies in your evacuation kit).
- Bring sentimental items if there is time.
- Listen to the radio for information.
- Leave early to avoid additional problems.
