Prevent Clutter Where It Starts!

Clutter Diet®'s Wallet Reminder Sleeves

- 1. Print this page. There are two wallet sleeves—you can share one with a friend or use for more than one credit or debit card.
- 2. Cut out each wallet sleeve on the dotted lines.
- 3. Fold along the solid lines, first folding in the smaller flaps and then folding the sides together.
- 4. Check the fit by putting your credit or debit card inside the sleeve, and adjust folds if necessary.
- 5. Use tape to seal the edges together.
- 6. Keep in your wallet. Read and think before you buy!
