

[real neat] biography

real life. real organized. real simple.™

MICHELLE DEO, mom, organizing expert, and speaker, faithfully helps overwhelmed parents, busy homeowners, and ambitious professionals learn practical time- and space-saving solutions.

Michelle is an active member of the National Association of Professional Organizers and has decluttered and streamlined homes, offices, and schedules alongside clients throughout the United States and Canada.

In her past lives, Michelle has designed small business and non-profit websites, taught French at an urban high school, written technical manuals for a robotics manufacturing company, and performed as an accomplished pianist, vocalist, and flutist.

A self-proclaimed “perfectly imperfect” human being, Michelle strives to follow the sage wisdom of her idol—Australian-born professional organizer Peter Walsh—who regularly advises his clients that “**Now** is the time to Live Your Best Life.”
